

The children of the Polk City Summer Recreation Program are collecting donations for the Iowa Veterans Home in Marshalltown, Iowa. The program has drop offs located at Polk City's City Hall, Papa's Pizzeria and at the Polk City Library. They will be collecting items through July 21, 2015. When collections are complete the participants of the program will sort the items and meet with some of our Service Members to have the items delivered to the Iowa Veterans Home.

The participants of the Summer Recreation Program will also write letters to the residents at the Iowa Veterans Home to thank them for their service.

This is a great opportunity for our Youth and we look forward to having the Polk City community help them have a successful turn out.

Items that are in need at the Iowa Veterans Home are listed below:

#### Iowa Veterans Home Donation List

- "Fill it In" and Variety Puzzle Books
